Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner called Mr. Benson on 9/14/10 to explain the status of the pending claims in light of the prior art of record. Specifically, Examiner indicated to Mr. Benson that independent claim 57 and claims depending therefrom are allowable and that the other pending claim sets have prior art issues in view of the Yanagimachi et al. reference. Mr. Benson agreed to take a closer look at the other claim sets in view of Yanagimachi et al. and Examiner's comments in the interview. On 9/21/10, Examiner received an email communication from Mr. Benson including a proposed amendment to the claims. In the proposed amendment, all claims are cancelled except for claims 57-64, 68, 73, and 74, which Examiner indicated as allowable. This amendment is provided in the attached Examiner's Amendment.
